YN Program Coordinator: Zachary M. Beier
Special Guest Directors:
Will Robins and Chris Donato

From 10:00-10:15-Registration and YN Check-in.

From 10:15-10:30, we will have introductions by the Guest Directors and the GSNA YN Program Coordinator. A brief overview of the program will be provided.

From 10:30 to 11:30, A Power Point presentation on numismatics by Will Robins and Chris Donato. Additional presentation contributors:

Chris Butchko on finding coins in rolls

Zachary Beier on the ANA Coin Projects

Mike Mastellone on the ANA Summer Seminar

From 11:30 to 12:00, we will be having a game called “Stump the Numismatist”. The YNs will be given the chance to challenge “the Numismatist” with a numismatic question. If they stump him, they will get a prize or GSNA YN Moneybucks. Dave Bailey, president of the GSNA, will be playing the part of “The Numismatist”. If needed, questions will be available.

12:00 to 12:45- We will have lunch.

We will be having Pizza, Cookies, and Soda/Water.

From 12:45 to 1:15, Tim Grant, a representative from the U.S. Mint, will give a short talk to the YNs on different U.S. Mint topics & to answer any questions.

From 1:15 to 2:00, Chris Donato and Will Robins will finish their Power Point presentation.

From 2:00 to 2:30, we will have our penny search activity. Each YN will receive a penny folder and 2 rolls of pennies. Then, they will have 30 minutes to fill as many holes in their folder as they can. Whoever fills the most holes correctly will receive a special prize.

From 2:30 to 3:00, we will have the final activity of the day—the GSNA YN auction. Kids will be using the GSNA YN paper money given to them at the start of the program and any bonus money they earned during the program.

Closing Remarks—Zachary Beier will announce upcoming GSNA YN activities like the GSNA Nickel Search, answer questions & before everybody leaves each YN will receive a goody bag filled with numismatic materials.

The GSNA hopes you had a wonderful time and to keep on collecting!
